

The New Life Network  
[www.newlifenetworkchurches.org](http://www.newlifenetworkchurches.org)

One property, four churches.

It can be confusing to show up to the New Life campus and find 4 different churches meeting on the same property. We share resources, staff, ideas, tears, laughter, and leadership nuggets as we minister together. Our unified vision of making an impact in Southern Maryland with the message of Jesus Christ unfolds 4 different ways in 3 different places from 4 different preachers. Most of the time, our churches will teach the same concept, topics, and Scripture passages, but each church with its own distinct flavor. We're a rare breed, we know, but we've found that we're stronger together.

## why a small group?

The Scriptures highlight the themes of camaraderie and unity among believers. Our Creator started the whole thing when he said, “It is not good for the man to be alone” (Genesis 2:18).

Despite the overwhelming theme of Ecclesiastes being that life is meaningless, the author still included the fact that, “two are better than one... and a cord of three strands is not quickly broken (ch.4:9, 12).”

When we think of David and Jonathan; Caleb and Joshua; Shadrach, Meshach, and Abednego; and Jesus himself traveling with his small group we now know as the 12 disciples; we see throughout the Scriptures pictures of people unified together who experienced genuine community, life transformation, and authentic fellowship.

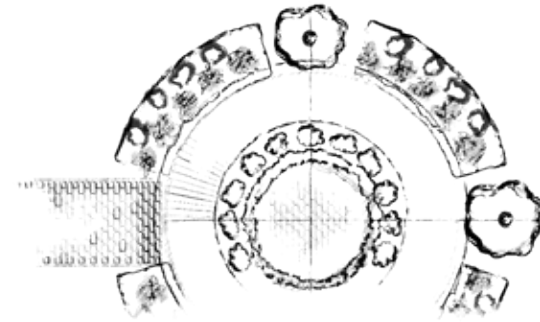

Here at The Garage, we believe that the journey is most fulfilling when it is taken together. Similar to a road trip, we believe in traveling the path of Christ with people who will encourage and challenge us.

Don't go through life alone...get a small GROUP.

Don't go through  
life alone...get a  
small GROUP!

## sermon based groups?

This semester, all of our small groups will be sermon based. What does that mean?

It's as simple as this:

1. Come to church on Sunday.
2. Get together with your group one day that week.  
(see the following listing for meeting days and times of all available groups.)
3. During that time, relevant scriptures and questions will be discussed based on that week's sermon.
