"Being a Christian, or a follower of Jesus Christ, requires more than just having a personal and transforming relationship with God. It also entails a public and transforming relationship with the world." Richard Sterns

In this study, we will look at how we live our lives as Jesus Christ did; to pray 'Let my heart be broken by the things that break the heart of God.'

If you have ever wanted to stand up for the poor, the hungry, the overlooked or oppressed; or even want to learn why someone would be so strongly passionate to do so; then this class is for you.

LORD, Change My Attitude (Before it's too Late) \$15

Jenn Legacy & Angela Rogalski

What does God think about attitudes? We'll study the Israelites' journey out of Egypt to see how attitudes can affect whether someone stays in the wilderness or enjoys the blessings of the Promised Land. Learn how to leave behind attitudes God hates and move into those He honors: Complaining to thankfulness, coveting to contentment, critical to love, doubting to full of faith, rebellion to submission.

What Do You Do With Your Wait? (A Young Adult Study) \$10

Ryan Haworth

We Wait - we wait for what's next, the right person, the perfect job, the right time to buy our first home. We wait as people come and go from our lives. We wait when we don't know what to do next. Most of the time, we don't like to wait. We'll trace the lives of Joseph, David, and Jesus as we learn how God uses times of waiting to sharpen our sense of awareness and teach us to trust His timing and faithfulness. Gain a new perspective on your current place in life and a fresh focus to pursue what He has in store for your future.
